PUBLIC NOTICE

Topic: Clemson University Construction, Demolition and Land-Clearing Debris (C&D) Landfill Permit Lateral Expansion

Location: Fant's Grove Road, Clemson, SC 29634

The South Carolina Department of Health and Environmental Control's (SCDHEC) Solid Waste Permitting Section has received a permit application from Clemson University, for a permit modification for a lateral expansion of the existing Construction, Demolition and Land-Clearing Debris (C&D) area located off Fant's Grove Road. The proposed landfill modification will increase the footprint from 7.5 acres to (approximately) 14 acres. The proposed expansion will provide Clemson University with an additional 15 years (approximately) of disposal capacity at its current annual disposal rate.

SCDHEC requires that a permit be issued for C&D landfills pursuant to SC Code Ann. Sections 44-96-10 et. Seq. (Supp. 2006) and 25A SC Code Reg. 61-107.11, *Construction, Demolition and Land-Clearing Debris Landfills* (Supp. 2006). The types of wastes that can be accepted at the Clemson University C&D Landfill are described in Appendix I of the above-mentioned regulation. Acceptable wastes include, but are not limited to, land-clearing debris, bricks, blocks, shingles, untreated lumber, and other wastes listed in Appendix I that have not been in contact with lead-based paint, hazardous constituents, or petroleum products. Wastes that are not acceptable at C&D landfills include household garbage, hazardous waste, and infectious waste. For a more detailed description of Appendix-I-acceptable wastes, please contact one of the persons below to view the application or to request a C&D landfill fact sheet. A copy of the regulation may also be viewed at the following website: <http://www.scdhec.gov/lwm/html/regs.html>.

At this time, the Solid Waste Permitting Section has completed an administrative review of the permit application and found that all required documents are in place to begin a technical review.

Who to contact? Copies of the permit application are available by appointment for public viewing during normal working hours at the following locations:
